

Sit Down Menu's*

per person from **\$33.⁹⁰**

For when you need that little something special, these menu's are the only way to go. All dishes are served directly to your table and we can be as flexible as you need.

Tables are clothed and set as an inclusion with all sit down menu's – just as you would expect.

Basically decide whether you want two or three courses, and then choose what you want.

If you think two courses is enough for your event you select whether you want Entrée or Dessert.

When you choose two choices per course, your meals will be served alternately, allowing your guests to swap to suit their own tastes.

Just remember your celebration should be fun, so relax and keep it simple.
