Wakes & Life Celebrations

At Toongabbie sports Club we understand that hosting a public event after the death of a loved one can be stressful. We offer flexible arrangements for those who don't know where to start.

Function Rooms

Choose from a variety of locations accommodating up to 200 in a private room, or any number within the club as you see as appropriate. Room hire charges for these events are waived (where available), and of course our staff will manage all the cooking and services required. Kindly provide your best estimate of numbers in order that we can provide adequate staff to service you and your guests.

Share Your Memories

To share those precious memories, each private room has its own large 70 inch LCD screen which is perfect for presentations, running slide shows direct from a USB or home movies direct from your laptop.

Catering

Our standard Celebration Package and Beverage Package is available for Wakes & Life Celebrations, along with options for Afternoon Tea and A Simple Affair (see overleaf for menus). Should you seek anything additional then please do not hesitate to ask as our packages are flexible in terms of offerings and budget. Special requirements for allergies is also catered for.

Please be aware that for all Wakes & Life Celebration bookings a minimum quantity of 10 applies.

While it is recommended to book and confirm numbers for any catering requirements, we also understand that this is difficult to predict, and as such can provide additional catering on demand.

Value & Convenience

Being a local club our pricing will be hard to beat as we seek to service our members and the broader local community and are confident you and your guests will appreciate the additional flexibility we can provide along with the freedom of staying as long as they like without feeling as though they might be intruding.

For your convenience, an 'invitation' for you to distribute to your friends and family is included.

As a registered club we do require your guests to sign in, or present a membership card, but can provide a guest register that any member of the club in your group can sign to allow easy entry to all.

Toongabbie Sports Club provides private, safe, friendly and clean facilities with ample parking for your guests.
