

We do not have round tables, tables available are rectangle and comfortably seat 8. This allows for 136 Seated in the mudmap.

Could add some general seating at Back of room or leave this out to provide more “mingling space”.

Prize/Display moved to blank wall as there are no columns and more space—still unlikely to get 5 tables, hoping 4 will do. This also allows for ottomans to remain positioned against the window as a social or kids space.

Food moved to back of room and will utilise High Bars which is easier for nibbles as people are not bending over to plate their food.

Windows with Ottomans to remain

We do not have round tables, tables available are rectangle and comfortably seat 8. This allows for 136 Seated in the mudmap.

Could add some general seating at Back of room or leave this out to provide more “mingling space”.

Prize/Display moved to blank wall as there are no columns and more space—still unlikely to get 5 tables, hoping 4 will do. This also allows for ottomans to remain positioned against the window as a social or kids space.
