

# BAREFOOT BOWLS

per person from **\$10.00**

Well we are a Bowling Club – right?

Barefoot bowls is perfect for, teambuilding, celebrations, staff rewards, whatever really. And while there is a knack to mastering the game the fun comes naturally.

At Toongabbie Sports you can just rock up for bowls, or go the full hog with food and drinks. For the corporate customers, why not bang it on at the end of a training session in our modern function rooms.

For just \$10 per person you will get use of the greens, a bowling instructor and all the equipment needed to get you going for up to 2 hours of play after which you can retire to the clubhouse.

Parking is on site, food and drinks can be provided, and where available our courtesy bus can get you guests home<sup>1</sup> - all you need to do is turn up!

Barefoot bowls is a game for all ages (not recommended for kids under 12 years of age), as long as the bowler can correctly deliver the bowl without dropping the bowl on the green. Our professional instructors will be there to help you every step of the way.

*Staff from our agency enjoyed a break from their normal working day to celebrate the end of financial year and all the great work done for clients and the community. We decided to try something different and an activity that most could participate in no matter what age or level of fitness! Barefoot bowls was a great success- although we were allowed to bowl in our socks on account of the cold. We were treated to good instruction and all the equipment was ready and waiting for us. The afternoon went well with ample food platters arranged. Some clear champions emerged- we think they had previous experience – and everyone had fun. We particularly enjoyed the friendly and helpful staff and the warmth inside the club once the sun went down. We ordered way too much food as the platters were much bigger in quantity than I had expected. Thankyou for your hospitality*

# Finger Food

Served to you on platters with accompaniments. As they are finger food based the portions are quick and easy so as not interrupt the game or the conversation. Just be aware that while the portions are generous, they are not a meal in themselves, but can easily be added as a compliment for after lunch or before dinner.
