# WAKES & LIFE CELEBRATIONS

At Toongabbie Sports Club, we understand that hosting a public event after the death of a loved one can be stressful. We offer flexible arrangements for those who don't know where to start.

## FUNCTION ROOMS

Choose from a variety of locations accommodating up to 200 in a private room, or any number within the club as you see appropriate. Room hire charges for these events are waived (where available) and of course our staff will manage all the cooking and services required.

## SHARE YOUR MEMORIES

To share those precious memories, each private room has its own large 70 inch LCD screen which is perfect for presentations, running slide shows direct from a USB or home movies direct from your laptop.

## CATERING

Our Wake Packs are flexibly designed for these difficult times. All include a selection of sandwiches to ensure your guests have food available as soon as they arrive, while we then est to preparing hot dishes. All Wake Packs also include Tea & Coffee. Should you have any specific requestes, then just let us know and we will do our best to make it happen. While it is recommended to book and confirm numbers for any catering requirements, we also understand that this is difficult to predict and as such can provide additional catering on demand. Please note that these packages require a minimum of 20 people.

## VALUE & CONVENIENCE

Being a local club, our pricing will be hard to beat. We seek to service our members and the broader local community and are confident you and your guests will appreciate the additional flexibility we can provide along with the freedom of staying as long as they like without feeling as though they might be intruding. As a registered club, we do require your guests to sign in or present a membership card. Toongabbie Sports Club provides private, safe, friendly and clean facilities with ample parking for your guests.

## DIRECTIONS & CONTACT

Toongabbie Sports Club, 12 Station Street Toongabbie NSW 2146.
